Rengen Li is the supplier diversity manager at The Coca-Cola Co. Over the last eight years, he has worked closely with executives and colleagues at the company and helped to increase diversity spend by more than 400 percent. He is also the board director of MSD China and chair of its Minority Supplier Development Committee. In this article, he elaborates on the two areas of focus in MSD China's work, especially in regard to the capacity building of Chinese minority suppliers.
